DIY ART-MAKING:
HOMEMADE PLAYDOUGH

ABOUT HOMEMADE PLAYDOUGH
Kids love creating with Playdough! Why not make it at home to add to the fun? Use ingredients that may already be available in your kitchen to put your own spin on this classic.

MATERIALS
- 2 cups of flour (any kind will do)
- 1 cup of salt
- 1 cup of cold water
- 2 drops of food coloring (choose any color)
- Optional: 1 tbs. vegetable oil

INSTRUCTIONS
Step 1
Measure out flour and salt. Mix ingredients together.

Step 2
Add water, food coloring, and oil (optional) and mix until combined.

Step 3
Knead mixture.

Step 4
Add more flour if needed, until the right consistency is achieved.

Step 5
Your Playdough is now ready! *Store in an airtight container or ziplock bag in between uses. Playdough will keep up to a month, if stored in the fridge.
